

Cory,

Thank you for your submission.
You have some good humor &
characters. Art is good too,
though a little st. fl. Could use a
little more movement and less
background shading (would get
muddied up in a newspaper).

Your strip does not meet our
needs at this time, but
feel free to keep us updated
as to its progress, and feel
free to send new samples when
you have them.

Sincerely,

Eve Becker
